Yumanang Sallah

has successfully completed the online Specialization

CompTIA CySA+ (CS0-003)

This certificate recognizes your completion of the CompTIA CySA+ (CS0-003) course, signifying your proficiency in analyzing and responding to cybersecurity threats, managing vulnerabilities, and effectively communicating findings. With hands-on experience in tools like SIEM, EDR, and sandboxing, you have developed essential skills to assess risks, mitigate threats, and strengthen security operations. This achievement highlights your capability to protect organizational assets and drive innovation in the cybersecurity landscape
