Nikhil Seth

UN ASSISTANT SECRETARY-GENERAL
EXECUTIVE DIRECTOR, UNITAR

UN CC:LEARN E-COURSE “CLIMATE CHANGE NEGOTIATIONS AND HEALTH”

NAME: YUMANANG SALLAH

DATE OF ISSUANCE: February 3, 2024

LEARNING OBJECTIVES:

- Explain how climate change affects health;
- Recognize the international climate change policy framework;
- Identify the Parties and groups of Parties to the UNFCCC, the Kyoto Protocol, and the Paris Agreement, including their respective commitments and negotiation positions;
- Describe the outcomes of past negotiation sessions;
- Discuss the key issues in the ongoing international climate change negotiations, particularly in relation to the promotion of health priorities and the integration of health in all policies.

LESSONS:

1. Introduction to Health and Climate Change
2. History of the UN Climate Negotiations
3. The Paris Agreement
4. Health in UN Climate Change Negotiations and Beyond
5. Health in recent COPs
6. Healthy and Green Recovery from COVID-19

DURATION: 3 estimated hours for completion.

This e-course has been developed through the One UN Climate Change Learning Partnership (UN CC:Learn) in close collaboration with the World Health Organization (WHO), the United Nations Institute for Training and Research (UNITAR) and [ClimateTracker.org](https://climatetracker.org). UN CC:Learn is an initiative of more than 30 multi-lateral organizations interested in supporting results-oriented and sustainable learning on climate change
